The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'Ikarus::LinearElastic' on the first line and '::materialStiffnessMatrixFunction' on the second line. The right box is gray with a black border and contains the text 'Ikarus::LinearElastic' on the first line and '::materialTangent' on the second line. A blue arrow points from the right side of the left box to the left side of the right box.
