The diagram illustrates a dependency or inheritance relationship. On the left, two white rectangular boxes with black borders contain the text 'Ikarus::NonLinearElastic::calculateMatrixImpl' (top) and 'Ikarus::NonLinearElastic::calculateVectorImpl' (bottom). On the right, a gray rectangular box with a black border contains the text 'Ikarus::NonLinearElastic::stress'. Two blue arrows point from the right side of each white box to the left side of the gray box, indicating that both source functions contribute to or are used by the target function.
