The diagram illustrates a dependency or relationship between two methods and a class attribute. On the left, two white rectangular boxes with black borders contain the text 'Ikarus::AssumedStress::calculateAtImpl' (top) and 'Ikarus::AssumedStress::setAssumedStressType' (bottom). On the right, a gray rectangular box with a black border contains the text 'Ikarus::AssumedStress::numberOfInternalVariables'. Two blue arrows point from the right side of each white box to the left side of the gray box, indicating that both methods depend on or interact with the 'numberOfInternalVariables' attribute.
