```

The diagram consists of three rectangular boxes. On the left, there are two boxes stacked vertically. The top box contains the text 'Ikarus::ArcLength::initialPrediction' and the bottom box contains 'Ikarus::ArcLength::operator()'. On the right, there is a single box containing 'Ikarus::idbcIncrement'. Two blue arrows originate from the right side of the left boxes and point towards the left side of the right box, indicating a relationship or flow from the left elements to the right element.
